The Logan County History Center will celebrate Logan County's 200th Anniversary with a special open house on Sunday, April 15th from 1:00 to 4:00. While all the History Center's exhibits detail Logan County's interesting history, we will highlight 200 artifacts throughout the museum as well as in the main exhibit case. The museum walls will be covered with photographs from our great Photo Archives collection for visitors to enjoy. In addition, Logan County's early history will come to life as members of the Logan Hills Festival will portray several of the county's American Indian inhabitants and early settlers.

We hope to see you on April 15th. Bring your family and friends as we celebrate Logan County's rich and interesting history! Cookies and punch will be served.

President's Message

Hello, I hope everyone has survived this rough and enduring winter! But what a big year this will be for Logan County. This year we celebrate our Bicentennial, 200 years since our county was formed. What would our namesake, Benjamin Logan think of all that has transpired in that period of time? The roller coaster of history...

There are so many people that have contributed to our history from Blue Jacket (that Benjamin Logan scuffled with) to George Bartholomew (the original Mr. Concrete). The great Mills Brothers called Logan County home for many years as they traveled throughout the country and world performing their many top hits. While Indian Lake was the site of many of the greatest names of the Big Band era and they played summer after summer at the Minnewawa and other Indian Lake dance pavilions. Others include Allan Eckert who wrote of the area and The Frontiersmen, & Louis Vito (Olympic Snowboarder & aspiring Dancer) who shined the light on fun activities available in Logan County.

Also, so many notable places, Wapatomica, where the Shawnee tribes gathered (our area is a hot bed of Native American activity, just ask Todd McCormick about it sometime), we are the Highest Point in Ohio and many people come to our area just to experience that each year, the Ohio Caverns that take people quite a distance the other way, underground, to explore the area under the surface. Check out the back story of the beginnings of this wonder and what had to be done to prepare it so visitors could tour this beautiful place! How about the Holland Theatre that has been entertaining Logan County residents since 1931 and thru the efforts of many hard working people is being turned around to a wonderful, functional historic theatre that is bringing excellent acts to Bellefontaine and supporting local theatre. The WW2 Canteen that was operated by volunteers to provide meals to our Soldiers as they passed thru Bellefontaine and surely left a lasting impression on so many. Indian Lake, that has been a Great place to get away to for so many years and continues to draw vacationers from all over to enjoy & recently in the spotlight on HGTV as an area with so many attributes to relocate to!

So this summer take the time to explore the History of Logan County and Celebrate! Some of the activities planned are a special History Edition of the Examiner on 3/1 (which, if you missed it you can pick one up at the Examiner office). March 17 was the Bicentennial Kick-Off at the Holland theatre. Our History Center will have a Salute to Logan County History open house on April 15th, featuring 200 artifacts and photos of Logan County, make sure you come and check it out... bring your family, friends & neighbors!

The Logan Hills Festival which will feature the travelling LCHC exhibit will be a great event, please contact Toni McPherson to volunteer as we can use some help to man the tent/table.

Also the Memorial Day Parade on 5/26 will be a great event this year celebrating 200 years! Many activities are still being formalized as we are putting this issue together, so keep your ears open.

And as I mentioned earlier about the efforts of many restoring the Holland, there are so many that are working very hard every day to improve our downtown, our community, our county, our industries/businesses and history is made every day & these individuals working for a common goal are making for great history!

Also be sure to come in and check out our new "Resident" in the Transportation Museum, hopefully he will be a BIG hit. We will be searching for a name for him, so I think we will ask for some help from our school groups that tour the museum this next school year, so start pondering...

In closing, we have in recent years added so much to our museum and are bringing more people in to enjoy it. Along with this is the need for volunteers to help with tours and greeting visitors as they come into the museum (Docents), help on committees for upkeep of the facilities, painting, planting flowers, fresh ideas for activities, etc. So come in and get involved and bring others with you!

See you at the History Center! Brian

DOCENT TRAINING SESSIONS

**School Group Docent Training- April 17th at 10:00 a.m.
“Scavenger Hunt” Docent Training- April 25th at 6:30 p.m.**

We are entering our busy time with the local schools through the traveling programs we take into the schools, school field trips to the History Center and our 3rd Grade Logan County Landmark Field Trip grant program. Over the last few years every Logan County school district, including West Liberty-Salem, as well as several schools from outside the county have visited the museum or taken part in the Logan County Landmark field trip or have taken advantage of our traveling programs. In some cases, all three. We are very proud of our growing relationship.

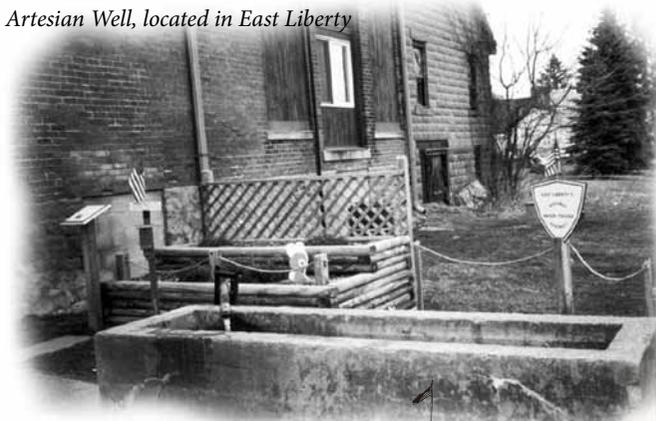

Since we have so many field trips to the History Center that means we depend on quite a few of our volunteers to be tour guides. In fact, we always need more and hope some of you reading this article will want to come help or may know someone who would like to be one our school tour docents. We will have our **SCHOOL GROUP DOCENT TRAINING SESSION ON TUESDAY, APRIL 17TH AT 10:00 A.M.** We need your help so please consider being a school group tour guide.

We will also be having our **“REGULAR” DOCENT TRAINING ON WEDNESDAY, APRIL 25TH AT 6:30 P.M.** for those interested in being docents during the History Center’s regular hours (Wednesday-Sunday 1:00-4:00). We encourage our current and any potential docents to come to this training.

This year we are going to do something a little different. After going over the “nuts & bolts” of how to be a good docent, we will divide the docents into teams and go on a **SCAVENGER HUNT** throughout the History Center so everyone can learn more about the artifacts and exhibits. It should be lots of fun and even educational!

Please RSVP to either or both docent trainings by calling the office at 593-7557 or email me at tmccormick@loganhistory.org. We need more docents so please bring family and friends who you think would enjoy helping us out as a docent!

MEETING NOTICE

Historical Society Membership Meeting June 20th, 2018 7:00pm

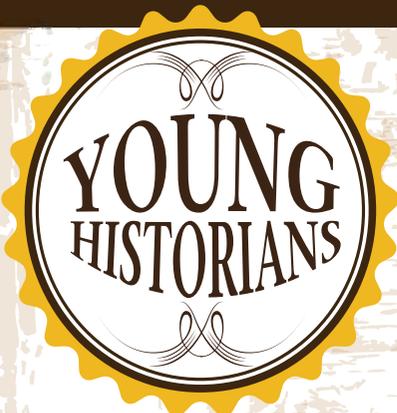

Ray Quay of Sergeant's Gunsmithing in Huntsville will be the speaker at the June Historical Society Membership Meeting. Ray will talk about the history of gunsmithing in Logan County, as he leads us throughout the museum and Orr Mansion, showing and describing the locally made guns in the museum's collection. Ray has beautifully restored many of our guns in the museum and has done extensive research on local gunsmiths like Meshack Moxley, J.M. Garner and S.W. Hornback. It should be an enjoyable evening.

Jeremy Smith will be here with the Bicentennial Gun Raffle rifles for everyone to see and will have raffle tickets available to purchase at this time.

The meeting will be held on Wednesday, June 20th at 7:00 p.m. We will meet in the Presidents' Room then start the tour.

Light refreshments will be served.

Meeting is free and open to the public.

The Young Historians continued our study and celebration of Logan County's Bicentennial. The January meeting saw the kids design their own Logan County Bicentennial flag. At the February meeting the Young Historians each wrote an acrostic poem about why they love their home county by using the letters in LOGAN COUNTY. In March each Young Historian penned a letter to future generations telling them what he or she will do in their lives to become so renowned and influential that he or she will end up in the Museum's Famous Logan Countian exhibit someday.

The next Young Historians meeting will be on April 24th in the Presidents' Room of the Logan County History Center from 6:00 to 7:00. We will continue our look at the county's bicentennial. We will end our 2017-2018 Young Historians' year with an ice cream sundae party on May 21st from 6:00 to 7:00 p.m. in the Presidents' Room.

The Young Historians is open to 1st graders on up. If you have any questions please contact Todd at 593-7557 or email at tmccormick@loganhistory.org.
