## Logan County Historical Society Meeting August 21, 2019, 7:00 p.m.

*Free & Open to the Public*

In celebration of Zanesfield's bicentennial this year, Mary Mortimer will be the speaker at the August Historical Society meeting. Mary has written two books on Zanesfield. Her first book *Reflections of Zanesfield: An Historical Scrapbook* was published in 2003. She followed that up in 2005 with *Vol. II of Reflections of Zanesfield*. Mary will be talking about some of Zanesfield's history, as well as some of the interesting people she met and heard about during her research.

It should be an enjoyable evening. The meeting will be held on Wednesday, August 21<sup>st</sup> at 7:00 p.m. in the AcuSport Room on the 2<sup>nd</sup> floor of the Transportation Museum.

Light refreshments will be served.

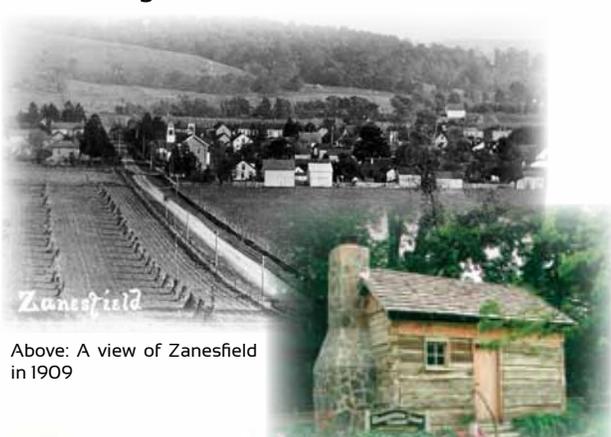

## Horse Naming Contest

We have a winner! After a six-month long naming contest, our mighty Clydesdale, pulling the Kingsbury & Crockett carriage in the Early Transportation Bay has been named "BUCKEYE." The contest began at the Christmas open house with people suggesting names at the exhibit or on our Facebook page. The LCHS Board of Trustees reviewed the suggestions and voted on their five top names. We then re-opened the contest to the public (again at the museum

and on our Facebook page) to choose one of the five names. This included allowing the students who toured the History Center on their school field trips this spring to vote. Buckeye was the runaway winner!

We would like to thank the Bundy Baking Solutions Co. of Urbana and its museum for donating the horse to us and to thank Richard Whitehead for donating the carriage.

tmccormick@loganhistorical.org  
www.loganhistorical.org

## **CURATOR'S CORNER**

Todd McCormick

The Logan County Historical Society and History Center will have its 0.25 mill operating levy on the November 5th, 2019 ballot. The 5-year levy would help the Society and History Center continue to better serve and educate the people of Logan County through exhibits, school tours, special events, publications, historic presentations and much more.

The 0.25 mill replacement levy will cost the home owners very little money. A resident whose home is valued at \$100,000 will probably pay under \$10 per year (the present evaluations have not been released yet). As our levy slogan

goes ***It Costs So Little to Save So Much!***

The passing of the levy is necessary for the History Center to continue to be open year-round (seven days a week between office & museum hours), employ a professional staff and continue the upkeep and improvement of the History Center's 1906 Orr Mansion, the Logan County Museum and the Logan County Transportation Museum.

The levy would also make it possible for the Society to continue its many programs and projects and develop new ones. The Society offers a variety of programs including bimonthly meetings, speeches to groups, school tours and programs (nearly 1,000 students in the 2018-2019 and over 150 hours of local history instruction) and much more. The Historical Society is very proud of its relationship with area schools and the role it plays in the students' education. Our Young Historians club has also been a great success over the years with its members learning about the county's rich history through a variety of fun and interactive activities.

It would be impossible for us to include all that the Logan County Historical Society and Museum provides to the people of Logan County. The support from the citizens of Logan County in the past has made it possible for the Logan County History Center to become one of the most respected county historical society museums in the state. The county's support through the operating levy is truly exceptional and greatly appreciated. We hope you will once again support us on November 5th.

We need our members' help to pass the levy:

- Please talk to your neighbors, friends, co-workers and family about the importance of the Historical Society and the levy.
- Better yet bring them to the History Center so they can see first-hand what we are doing.
- Help us by placing a levy sign in your yard and asking friends to do the same.
- We also need help locating and getting permission to place levy signs in high traffic areas throughout the county.
- Serve on our levy committee.

**Remember It Costs So Little To Save So Much!**

Thank you,  
Todd McCormick  
Curator/Director

## Logan County Historical Society

Membership Meeting  
October 16<sup>th</sup> at 7:00 p.m.

### *"The Dependence on European Trade Goods by 18<sup>th</sup> Century Native Americans in the Ohio Country"*

A visual study of recovered materials from  
1760s-1790s era Historic Indian sites in Ohio

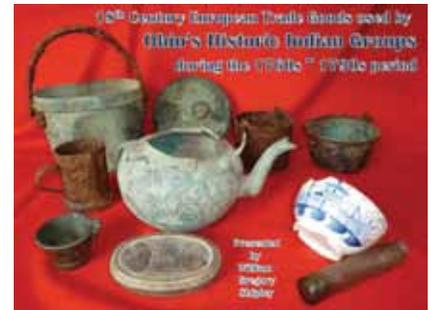

*Presented by Wm Gregory Shipley*

Mr Shipley's program will discuss the obvious changes to the material culture of Ohio's Historic Indian tribes which had occurred by the second half of the 18th century. These changes resulted from the increased availability of European trade goods. After a century of having access to the numerous varieties of durable trade items, which were being obtained with increasing ease and in larger quantities, the majority of discarded, lost, and/or abandoned materials on Native American sites had become "Euro", in flavor. Through his PowerPoint presentation, Mr Shipley will share images and data summaries on the various categories of Indian trade (and raid) related weapons, tools, storage vessels, ornamental items, etc, which have been recovered from a dozen private-property village sites, in central and western Ohio, during the past 26 years of avocational archaeological investigations.

The meeting will be held on Wednesday, October 16th at 7:00 p.m. in the AcuSport Meeting Room and is free and open to the public.

We hope you can join us for what we believe will be a very interesting evening!

*Light refreshments will be served.*

#### About Wm Gregory (Greg) Shipley

At age six, Greg Shipley's fascination with archaeology began with his finding an arrowhead on his family farm. This chance discovery sparked a life-long interest in forgotten peoples and the cultural materials that they left behind. During the past fifty-eight years, this passion for lost history has only grown.

A lifelong resident of Champaign County, Ohio, save for his college years at The Ohio State University, Greg and his wife, Linda, recently relocated to a home outside of West Liberty, in Logan County. Greg's work career was with Honda of America, where he served as an Engineering Coordinator for Vehicle Quality & Automotive New Model assignments. Since his retirement, Greg has devoted much of his time to more lengthy and detailed site investigations, which, includes using of the latest technologies.

Greg's amateur archaeological activities include personally conducted excavation projects at dozens of prehistoric and historical period locations in Ohio, Kentucky, Illinois, Tennessee, Arkansas and Missouri. Cultural periods investigated include: Ohio Archaic, Woodland, Fort Ancient, Mississippian + 18th Century Native American sites and 1790s-War of 1812 military sites in Western Ohio.

# ZANESFIELD

## Turns 200 Years Old!

Looking down on Zanesfield from the west in 1909.

The C. Folsom store located on Sandusky Street in Zanesfield. Charles Folsom built his store and the home next to it in 1866. Mr. Folsom also operated a couple of mills, published a newspaper and served as postmaster for Zanesfield.

O.K. Reames purchased the first automobile in Jefferson Township in 1911.

People arriving at the Zanesfield T & OC Depot for the first Homecoming festivities in 1913.

The moving of the boulder for Zane-Kenton Monument 1914 was a major task.

The people of Zanesfield have seemingly been instilled with an appreciation of their history. People like O.K. Reames, Herman Marmon and Guy Furbay did as much as anyone to preserve and promote the rich history of Zanesfield and Logan County. Many of the founders and early members of the Logan County Archaeological and Historical Society (now Logan County Historical Society) hailed from Zanesfield. Some of the first historical markers were erected in Zanesfield. The village hosted annual historical pageants for years and then decades later began hosting the pageants again. The people of Zanesfield even moved a 60-ton boulder to turn into a monument for two of their past prominent residents, Isaac Zane and Simon Kenton!

The History Center is celebrating Zanesfield's Bicentennial with an exhibit. The exhibit does not tell the whole history of Zanesfield. Instead it highlights some of the events, big and small, and people, famous and not-so-famous, who have helped make Zanesfield's history and in some cases affected history well beyond the small village.

This exhibit owes much credit to Mary Mortimer and her two volume Reflections of Zanesfield: An Historical Scrapbook, and the many people of Zanesfield who provided Mary with their photos, stories and recollections of Zanesfield's past. We hope you will visit the History Center and enjoy the new Zanesfield Bicentennial exhibit.

Zanesfield Logan County League Softball team, ca. 1950.

Niles J. Fulwyler graduated from Zanesfield High School in 1948. He joined the army in 1952 after graduating from BGSU. Fulwyler's 30+ year military career saw him serve two tours in Vietnam, work on the U.S. Army Staff in Washington, D.C and hold many other positions in the army. Fulwyler served as the Commanding General of White Sands Missile Range for his final assignment. Fulwyler retired with the rank of Major General, perhaps the highest of any Logan County native.

Nicole Fawcett, a Zanesfield native and 2005 graduate of Benjamin Logan High School, was a national player of the year in volleyball at Penn St. and has since played volleyball professionally all over the world and has played on several U.S. teams.

Gov. James A. Rhodes riding stage coach into the Zane Caverns grounds in 1967.

## YOUNG HISTORIANS 2019-2020

The Young Historians Club is starting its 18th year of fun and learning about Logan County history. This year's theme will be Logan County Landmarks Then & Now. We will study the different landmarks around the county and do different projects based on them. This will include looking at old photographs of some of the places and then taking photos of them today. We will also be making clay models of the landmarks and doing many other activities dealing with these fascinating landmarks.

Once again, the meeting dates will generally be the 4th Mondays or Tuesdays of each month from 6:00-7:00. There will be some months that we must meet on different Mondays or Tuesdays due to holidays, school schedules and scheduling conflicts at the museum. The following is the tentative 2019-2020 schedule for the Young Historians, the dates and topics may change. Our first meeting will be on September 24th. Since the school year is ending earlier and earlier, our last meeting will be in April. We will once again meet in the Presidents' Room of the Logan County History Center, 521 E. Columbus Ave. Bellefontaine, Ohio.

- September 24th (Tue.) 6:00-7:00 - *Welcome Meeting*
- October 28th (Mon.) 6:00-7:00 - *Topic to be determined*
- November 19th (Tue.) 6:00-7:00 - *Christmas Tree Decorations*  
*Note this is the third Tuesday due to the Thanksgiving Holidays.*
- December 16th (Mon.) 6:00-7:00 - *Christmas Party*  
*Note this is the third Monday due to the Christmas Holidays.*
- January 28th (Tue.) 6:00-7:00 - *Topic to be determined*
- February 24th (Mon.) 6:00-7:00 - *Topic to be determined*
- March 24th (Tue.) 6:00-7:00 - *Topic to be determined*
- April 27th (Mon.) 6:00-7:00 - *End of School Year Party*

The Young Historians Club is open to 1st graders on up. We hope past members will return for another year and we welcome newcomers. If you have any questions, please call Todd at 593-7557 or email at [tmccormick@loganhistory.org](mailto:tmccormick@loganhistory.org).

The Logan County Historical Society is proud to announce the newest inductees into the Society's Hall of Fame:

Bob & Dorothy Notestine and Dick (posthumously) & Pat Ortl. Bob is the only living charter member of the LCHS. He and Dorothy are long-time monthly docents, and both have served on our board over the years, with Bob currently serving as a trustee.

Pat and Dick Ortl have served the Historical Society and History Center in many ways. For years they served as monthly docents and seemed to always be available for our group tours and school tours. Dick brought his talents and know-how to the Building Committee and left an indelible mark throughout the History Center, as well as with the caboose and Flatwoods School. Dick passed away in 2017. We miss him greatly. Pat continues as a monthly docent, has served on the board several times, calls people for cookies for all our open houses and is still one of our most dependable group tour guides.

We thank the Notestines and Ortls for their dedication to the Logan County Historical Society and the History Center. They are four of the reasons we have such a strong organization and great museum.

# Welcome to our New Members!
